## Bible Study Questions

- Who is being talked to and who is speaking?
- Do you learn something about God's character and nature?
- What do you learn about people? (character, nature, attitude, behavior)
- What do you learn about how to relate with God and/or others?
- How long did something take?
- Is there a word that is used a lot in this chapter, paragraph or verse? What is important about it?
- Is there a command or warning? Are there any consequences or blessings?
- Look for actions and the effects. What was the reason for doing the action?
- Look for promises and the requirements for them to be fulfilled.
- Is there a comparison and what do you learn from it?
- Look for advice, cautions, and attitudes and write them down.
- Look for explanations. This is important because God wants you to fully understand this topic.
- How can your answers help you grow in your faith?
