

Checking Steps

The Eight-Steps Translation Method

Drafting Steps

- Consume
- Verbalize
- Chunk
- Blind Draft

Checking Steps

- Self-edit
- Peer-edit
- Key Word Check
- Verse-by-Verse Check

Checking Steps Defined

5

Self-edit

Compare each chunk to source; make any edits

6

Peer-edit

Another translator compares and suggests edits

7

Key Word Check

Work with a partner to ensure that the key words are clear

8

Verse-by-Verse Check

- Translator reads each verse of translation aloud
- Checker 1, out loud, translates each verse back into the source language
- Checker 2 listens and looks at source text to compare

The checking steps
have no time limit ...

a **great time** for
discussion and research to
improve the text

Make changes
as needed ...

... praying for
God's guidance

Try it

Check the work
translated in last
session

Were there
many errors?

Did the checking
steps improve
the text?

**What happens if you
skip steps?**
